

3D Graphics Producer

Project Title	3D Graphics Producer
Project Summary	Create a series of three dimensional graphics for the Department of State's internal Video Production Group. These graphics can range from a new Department of State seal introduction for all videos created, to opens for the various programs produced, as well as elements need for a production.
Country	United States
Agency	Department of State
DoS Office	A/OPR/GSM
Post	N/A
Section	N/A
Number of Interns	3

Project Description

The Video Production team located in the Media Services Division supports the Department in the taping and production of internal videos needed to educate and inform the DOS employees. We have a variety of graphics that need to be changed/created/updated to attract attention to these videos. If you are looking to stretch your imagination, this is the way to do it!

Desired Skills Interests

Additional Information

Even if you are a beginner, this is your opportunity to create animations that you can use to further your career.
